

Terrific trophies

BIG – badminton by Aidan

By Olivia, Amy and Molly

AT Stamfordham First school we go to lots of different tournaments so we win lots of trophies! We have been to a tag rugby tournament, swimming tournament, tennis tournament, netball

tournament, badminton tournament and lots more. So as you know we have lots of trophies and we are hoping to get lots more! (if we are going to get more trophies we will have to make the trophy shelf bigger).

Batting with Phil

By Molly, Amy and Olivia

THIS term class 3 have been dusting off our cricket skills with Phil Hall! We've been batting and warming up, then fielding too. We do it every Friday, splitting

in to little groups of 8 - of red, blue and other colours, then off we go to play and have lots of fun. We look forward to a festival of cricket after the hols!
